

TRAVERSE

Triton Systems is proud to hold the distinction of having the lowest cost of ownership in the industry. Our Traverse line of ATMs bridge the affordability gap by providing a low-cost, entry-level stand-alone unit designed specifically for retail locations. Even at the entry-level, we create the best-in-class ATMs with the highest quality and value for your investment.

The compact yet attractive modular design, features a silhouette that protects PIN security, while the wide full-color LCD display and LED-lighted keypad make it easy to use. A trusted name providing reliable and affordable products for over 30 years, Triton is driven to offer products that help businesses survive in a competitive marketplace.
